Fifth National Bank of St. Louis.

transferred to the control of an Eng-

lish syndicate.

night. Another fool heard from. Parson Kimball, of Hartford, Conn., compares the anarchists to Christ. His people justly think his room is better than his company.

The once "beastly" republican majority of Iowa has been reduced to a recently contained this article: very small plurality. The combined

the revenues is due to the use of the mails for carrying merchandise.

Herr Most denies that he made the reported incendiary remarks at the anarchist meeting at New York, last Saturday night. Give the devil his due; report him correctly; but draw the line of tolerance at incitement to violate the laws.

Detectives tracked Mr. Cox, M. P., to his hiding place at Kildysart and pursued him. He escaped in a small boat, however, and took refuge on an island. Truly, a nice condition of affairs for such a liberty-loving (for themselves) nation as the English.

themselves) nation as the English.

Another of those awful bored well accidents. Jessie Hickmeyer, 2 years oid, falls into one of the fearful traps near Scott City, Kansas. The story of It will be seen by a careful reading the attempts at rescue are heartrend- of the above that the interests ing, but not complete, as the effort was of the consumer are entirely ignored, Missouri in a Prosperous Condition continued when the press special was and that the whole effort is to place the

Mr. Conkling's argument in the Vir- control of the Standard Oil Company. ginia bond cases is not thought to have The inevitable tendency of all this is to sition to the political principles of a life-time. There is ill-concealed dis-
